

Tenants to Homeowners is celebrating 26 years of providing family stability through affordable housing in Lawrence. Our organization is growing its impact each year. In an effort to meet the growing housing needs of this community we now **steward 81 homes in trust** and **70 affordable rental units** with nine more in development.

Demand is high for affordable housing and we are bursting at the seams with projects. In an effort to address the current housing crisis, LCHT is working on a city density bonus that would allow for single family small homes and new programs to help renters in transition to be successful in permanent housing. ***We cannot do this without you!***

On September 29<sup>th</sup> we will be holding our annual fundraiser event at Cedarwood Senior Cottages. The event will include music provided by ***Spencer and Rains***, local musicians and artists, food, drinks, ***raffle items***, and a ***silent auction***. We invite you to support affordable housing through a charitable contribution to LCHT. Sponsors will be promoted through social media, paid ads, banners, and listed on the LCHT website for one year. LCHT will also mail each sponsor a 501 (c)3 donation letter and 2 complimentary event tickets. We thank you for your continued support and look forward to ***building family stability through affordable housing*** with you for years to come.
