

Our team is growing!

Hello Homeowners! I'm Jasmine, TTH's Homebuyer Program Manager. I was brought on to manage all things LCHT Homeownership as our housing stock grows and our programming continues to expand.

Contact me if you are struggling to pay your bills, need to access maintenance funds, are ready to resell your home, or want to make capital improvements.

Time for Spring ^{GUTTER} Cleaning

While cleaning your gutters - pay attention! • Take note of any dents, holes, or areas that may leak. • Watch when it rains and make a plan to repair any issues. • If water is pooling around your foundation; you may need to extend your downspouts or adjust grading.

Extending downspouts is a cheap and easy preventative maintenance project to protect your foundation and your wallet from expensive maintenance down the road!
